

PVUMC Vision Statement

We are a growing church that meets regularly in
small groups whose members
love each other
pray for each other
encourage each other to grow in faith through mutual
support and accountability

We are a church of small groups

where people can know others and be known by them
where new people are invited and received with joy
that makes more and stronger disciples
that births new small groups to fulfill the mission of our
church

We are a witnessing church

that shares
what God has done through Christ for all people
what Christ has done for us
what Christ is doing in and through us

We are an equipping church

that teaches people
how to serve Christ through
sharing their faith
disciplining others
serving those in need

We are a praying church

that pursues God's purposes
that seeks healing for those hurting physically,
emotionally and spiritually
that intercedes for those in any kind of need

We are a worshiping church

that praises God
that rejoices in those who commit their lives to trusting
Jesus as their Savior/forgiver and leader/Lord
that celebrates all that God is doing in and through us

We are a serving church

that reaches out to the lost, the needy, the suffering in
places near and far
