IF WE ARE THE BODY

It's crowded in worship today, And she slips in,
Trying to fade into the faces.
The girl's teasing laughter is carrying
Farther than they know. Farther than they know.

But if we are the body, Why aren't His arms reaching,
Why aren't His hands healing,
Why aren't His words teaching? And if we are the body,
Why aren't His feet going, Why is His love not showing
Them there is a way. There is a way.

A traveler is far away from home; He sheds his coat
And quietly sinks into the back row.
The weight of their judgmental glances
Tell him that his chances are better out on the road.

Jesus paid much too high a price
For us to pick and choose who should come,
And we are the body of Christ.

A LOVE SONG

You are Lord Lord of my life
And every day I lift You up high
I praise You Lord My God my King
You reign in me for eternity

Cause this is a love song to You
A song of praise to you Lord
I kneel before Your glorious throne
To show that I am yours alone
(Repeat from top including introduction)

Hallelujah I love You (4X)

Cause this is a love song to You A song of praise to You Lord
I kneel before Your glorious throne...
This is a love song to You (Chorus)

GRACE LIKE RAIN

Amazing grace how sweet the sound
That saved a wretch like me
I once was lost but now I'm found
Was blind but now I see so clearly

Hallelujah grace like rain falls down on me
Hallelujah all my stains are washed away
They're washed away (Repeat)

'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

When we've been there ten thousand years
Bright shining as the sun
We've no less days to sing Your praise
Than when we'd first begun

Hallelujah yeah, hallelujah yeah
Hallelujah yeah oh yeah
Hallelujah all my stains are washed away
They're washed away

HOW GREAT IS OUR GOD

The splendor of the King clothed in majesty
Let all the earth rejoice, all the earth rejoice
He wraps himself in light and darkness tries to hide
And trembles at His voice, and trembles at His voice

How great is our God, sing with me
How great is our God, and all will see
How great, how great is our God

And age to age He stands, and time is in His hands
Beginning and the end, beginning and the end
The God head three in one, Father, Spirit, Son
The Lion and the Lamb, the Lion and the Lamb
