“Your Grace Is Enough”

Thanks to all who brought groceries this morning for **B.E.A.M.** (Beaches Emergency Assistance Ministry). Summer is the most challenging time to keep food on the shelves at BEAM, as kids who eat free and reduced breakfasts and/or lunches at school are at home without these school benefits. If you’d like to further serve our neighbors in need through a financial gift, make your check out to PVUMC and designate it “BEAM.”

“There Is a Balm in Gilead”

Here’s another example of **salty service**. Week before last I spent some time getting to know a new family I’d met at the beach and some time better getting to know the dad of a friend of Abby’s. The first one resulted in an invitation to church, the second... not yet. Building a relationship with someone who’s not connected to Christ fits the bill for salty service so I put a card in the plate last Sunday. If you made a similar investment this week, put your card in the offering and God bless you, Salty Servant. – Pastor Jeff

Our **Saturday Serve project** for the morning of **June 20** is yard work for Eloise. She is 80 and lives alone. Eloise has survived a stroke and cancer but suffers from heart and lung problems and relies on cane, walker and wheelchair. She has a fence with weeds and vines that needs cleaning and tree branches that have blown down during storms. The yard needs mowing but we'll need to bring our own mowers since she doesn't have one. Eloise lives 40 minutes from here, near the Wilson Blvd exit of I-295. This is much further than we've gone before but single day mission options nearer to home have not panned out. Can you help Eloise? Sign the sheet at the back table. Our team leader will be Phil de Roziere. Thank you, Salty Servants.

Two of our key adult youth workers have recently moved away. **We are in great need of adults to facilitate one of the youth small groups** that meets as part of our Sunday evening H2O (Helping, Healing, Outreach) at The Players Community Senior Center. Our youth minister Kelly Minter (kelly.minter@pv-umc.org, 407.694.2167) will provide training, leadership, encouragement and support. You can be young or not so young; what matters is that you are willing to love youth.

We need adult volunteers to invest 15 minutes on a Sunday morning reading a Bible story to our older nursery kids. (We have several who are 3 or 4 years old.) This takes place in the nursery following Children's Time; our paid nursery workers are present. Do it every week, once a month, or just try it once. Contact our Children's Ministry Coordinator Lynn Straughan (lynn.straughan@pv-umc.org, 904.806.4508

Have you been missing your **favorite hymns**? Now is the time to let me know what they are and we will sing as many as possible during the summer months of June, July, and August. There is a list in the back of the church to write them down or you can give them directly to me. Let's sing! -- Diane Wright

Next Sunday the Reverend Jimmy Jones brings a message that springs from Psalm 1 entitled, "**Living with Happiness.**" Pastor Jeff will be just returning from our annual meeting of United Methodists from around the state. This year's annual conference will be held in Daytona Beach, Thursday through Saturday.

Salty Service

Beginning this morning each Sunday you'll find a salty service "ticket" in your bulletin. **If you've served beyond the local church for an hour or more in the past week, please put the card in the offering plate.** There's nothing to fill out; we're simply tracking the percentage of those in attendance who have served in the past week to help us know if we're growing as salty servants.

What kinds of service are we talking about here? Included would be

- service done to make a positive difference in the lives of others that you would not have done were it not for your relationship to Christ
- service requiring hands-on, face-to-face engagement with the needs of people that you might not ordinarily come to know
- service that pushes you out of your comfort zone to make a real difference in the lives of people

Examples of things several of us are involved in include soup kitchen, detention center, volunteering at the hospital, Hart Felt Ministries, Habitat for Humanity, scouting, even building a relationship with someone far from Christ.

Jesus said, "You are the salt of the earth; but if salt has lost its taste, how can its saltiness be restored? It is no longer good for anything, but is thrown out and trampled under foot."

– Matthew 5:13

Let's be Salty Servants for Christ!
